

REMARKS

Claims 1-33 are pending in this patent application. By the amendment, claim 1 has amended. Reconsideration of this patent application, as amended, is respectfully requested.

Allowable Subject Matter

Claims 1-22 were indicated as being allowable if rewritten to overcome the antecedent basis objection set forth in the Office Action.

Claims 22-33 were allowed.

Claim Objections

Claims 1-22 were objected to due to the use of "said first attachment element" instead of "said first attachment mechanism" in line 9 of the claim. Applicants have amended claim 1 to recite "said first attachment mechanism" as requested by the Examiner. As amended, claims 1-22 are believed to be in proper form.

Conclusion

In view of the foregoing amendments and remarks, it is submitted that this application is in condition for allowance. Action to that end is hereby solicited. It is respectfully submitted that, if necessary to effect a timely response, this paper be considered as a Petition for an Extension of Time sufficient to effect a timely

response and the shortages in fees, if any, be charged, or any overpayment in fees be credited, to our Deposit Account No. 13-0014.

Respectfully submitted,

MAGINOT, MOORE & BECK
